Civil Action H-16-3

Order on Ineptitude

1. If the pretentious lawyers from “main” justice knew what they were doing – or had the humility to ask for help from the United States Attorney for the Southern District of Texas – it would not have taken three days, seven telephone calls, three voicemail messages, and one snippy electronic message for them to indirectly ask the court for assistance in ordering a transcript.
2. The Washington lawyers might have looked at the Court’s website:
<http://www.txs.uscourts.gov/page/OrderingTranscripts>.
